- (f) Restricted Securities. The Investor understands that the Securities are characterized as "restricted securities" under the U.S. federal securities laws inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that under such laws and applicable regulations such securities may be resold without registration under the Securities Act only in certain limited circumstances. The Investor has been advised or is aware that it may be deemed to be an "affiliate" of the Company within the meaning of the Securities Act following the execution of this Agreement.

- (g) <u>Placement Agent's Fees</u>. The Investor has not employed any broker, investment banker, finder or other Person in a similar capacity or incurred any liability for any financial advisory fees, brokerage fees, commissions or finder's fees, and no broker, investment banker, finder or other Person in a similar capacity has acted, directly or indirectly, for the Company or any of its Subsidiaries, in connection with this Agreement or the transactions contemplated hereby. The Investor shall pay, and hold the Company harmless against, any liability, loss or expense (including, without limitation, reasonable attorney's fees and out-of-pocket expenses) arising in connection with any such claim for any such fees described in the preceding sentence arising out of the purchase of the Securities pursuant to this Agreement.
- (h) <u>Litigation</u>. There is no Proceeding pending or, to the Investor's knowledge, threatened against the Investor or any subsidiary or any of its properties which in any manner challenge or seek to prevent, enjoin, alter or materially delay the transactions contemplated by this Agreement.
- (i) No Ownership of Company Securities. Except as set in disclosure provided to the Company, as of the date of this Agreement, neither the Investor, nor any Investor Controlled Entity, Affiliate of the Investor (other than any officer or director of the Investor) or any 13D Group of which the Investor or any of its Affiliates is a member, beneficially owns any shares of Common Stock, or any other equity securities of the Company, or any options, warrants or other rights to acquire equity securities of the Company or any other securities convertible into equity securities of the Company. Except as set in disclosure provided to the Company, since March 27, 2014, neither the Investor, nor any Investor Controlled Entity, Affiliate of the Investor (other than any officer or director of the Investor) or any 13D Group of which the Investor or any of its Affiliates is a member, has purchased, sold, transferred, made any short sale of, granted any option for the purchase of, or entered into any hedging or similar transaction with the same economic effect as a sale of, any equity securities or any options, warrants or other rights to acquire equity securities of the Company.

ARTICLE IV OTHER AGREEMENTS OF THE PARTIES

4.1 <u>Transfer Restrictions</u>.

(a) The Investor covenants that the Securities will only be disposed of pursuant to an effective registration statement under, and in compliance with the requirements of, the Securities Act, to the Company or pursuant to an available exemption from the registration requirements of the Securities Act, and in compliance with any applicable state securities laws. In connection with any transfer of Securities other than pursuant to an effective registration statement or to the Company, the Company may require the transferor to provide to the Company an opinion of counsel selected by the transferor, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration under the Securities Act. Notwithstanding the foregoing, the Company hereby consents to and agrees to register on the books of the Company and with its Transfer Agent, without any such legal opinion, except to the extent that the Transfer Agent requests such legal opinion, any transfer of Securities by the Investor to an Affiliate of the Investor (including an individual retirement account related thereto), provided that (i) the transferee certifies to the

Company that it is an "accredited investor," as defined in Rule 501(a) under the Securities Act and (ii) the transferee agrees in writing to be subject to the terms and conditions of this Agreement.

(b) The Investor agrees to the imprinting, so long as is required by this Section 4.1(b), of the following legends on any certificate evidencing any of the Securities:

THESE SECURITIES HAVE NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY APPLICABLE STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS OR BLUE SKY LAWS.

THESE SECURITIES ARE SUBJECT TO TRANSFER RESTRICTIONS AS SET FORTH IN A CERTAIN SECURITIES PURCHASE AGREEMENT BETWEEN THE ISSUER AND THE ORIGINAL HOLDER OF THESE SHARES, A COPY OF WHICH MAY BE OBTAINED AT THE PRINCIPAL OFFICE OF THE ISSUER.

Certificates evidencing Securities shall not be required to contain the legends set forth above (i) following any sale of such Securities pursuant to a Registration Statement covering the resale of the Securities is effective under the Securities Act; (ii) following any sale of such Securities pursuant to Rule 144 if the holder provides the Company with a legal opinion reasonably acceptable to the Company to the effect that the Securities have been sold under Rule 144; (iii) if the Securities are eligible for sale under Rule 144(b)(1); or (iv) if the holder provides the Company with a legal opinion reasonably acceptable to the Company to the effect that the legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the staff of the SEC). The Company may not make any notation on its records or give instructions to the Transfer Agent that enlarge the restrictions on transfer set forth in this Section 4.1(b) unless required by Applicable Law. Notwithstanding anything to the contrary in any of the Transaction Documents, the Securities may be pledged in connection with a bona fide margin account or other loan or financing arrangement secured by the Securities and such pledge of Securities shall not be deemed to be a transfer, sale or assignment of the Securities hereunder, and in connection with a pledge of Securities, the question shall not be required to provide the Company with any notice thereof or otherwise make any delivery to the Company pursuant to any provision of this Agreement or any other Transaction Document.

(c) Notwithstanding the foregoing provisions of this Section 4.1, during the Voting Period, Investor agrees that it shall not sell, transfer or dispose of, directly or indirectly, any Securities, other than pursuant to an effective registration statement, pursuant to Rule 144, or to the Company, unless the transferee agrees in writing to be bound by and subject to the terms and conditions of this Agreement.

- 4.2 <u>Furnishing of Information</u>. During the time a Registration Statement is required to be effective, the Company covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act. Upon the request of the Investor, the Company shall deliver to the Investor a written certification of a duly authorized officer as to whether it has complied with the preceding sentence. As long as the Investor owns Securities, if the Company is not required to file reports pursuant to the Exchange Act, it will prepare and furnish to the Investor and make publicly available in accordance with Rule 144(c) such information as is required for the Investor to sell the Securities under Rule 144. The Company further covenants that it will take such further action as the Investor may reasonably request, all to the extent necessary from time to time to enable such Person to sell such Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144.
- 4.3 <u>Integration</u>. The Company shall not, and shall use its commercially reasonably efforts to ensure that no Affiliate thereof shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities in a manner that would require the registration under the Securities Act of the sale of the Securities to the Investor or that would be integrated with the offer or sale of the Securities such that approval of the stockholders of the Company would be required pursuant to the rules and regulations of The Nasdaq Stock Market or a comparable securities trading market.
- 4.4 <u>Reservation of Securities</u>. The Company shall maintain a reserve from its duly authorized shares of Common Stock for issuance pursuant to the Transaction Documents in such amount as may be required to fulfill its obligations to issue Warrant Shares under the Transaction Documents. In the event that at any time the then authorized shares of Common Stock are insufficient for the Company to satisfy its obligations to issue such Warrant Shares under the Transaction Documents, the Company shall promptly take such actions as may be required to increase the number of authorized shares.
- 4.5 <u>Listing of Common Stock</u>. The Company hereby agrees to use best efforts to maintain the listing of the Common Stock on The Nasdaq Stock Market or a comparable securities trading market, and promptly following the Closing (but not later than the 30 day anniversary of the Closing) to list the Shares and Warrant Shares on The Nasdaq Stock Market. The Company further agrees, if the Company applies to have the Common Stock traded on any other securities trading market, it will include in such application the Shares and the Warrant Shares, and will take such other action as is necessary or desirable in the reasonable opinion of the Investor to cause the Shares and Warrant Shares to be listed on such other securities trading market as promptly as possible. The Company will take all action reasonably necessary to continue the listing and trading of its Common Stock on The Nasdaq Stock Market or comparable securities trading market and will comply in all material respects with the Company's reporting, filing and other obligations under the by-laws or rules of such market.

- 4.6 Anti-Takeover Provisions. If any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's charter documents or the Applicable Laws of its state of incorporation or otherwise, that is or would reasonably be expected to become applicable to the Investor as a result of the Investor and the Company fulfilling their obligations or exercising their rights under the Transaction Documents, including, without limitation, as a result of the Company's issuance of the Securities and/or Investor's exercise of Warrants and the Investor's ownership of the Securities, shall become applicable to the transactions contemplated by the Transaction Documents, the Company and the Board shall use best efforts to grant such approvals and take such actions as are necessary so that the transactions contemplated by the Transaction Documents may be consummated as promptly as practicable on the terms contemplated hereby and otherwise act to minimize the effects of any such statute or regulation on the transactions contemplated hereby.
- Voting. During the period commencing upon the date hereof and ending five (5) years from and after the Closing (the "Voting Period"), each of the Investor, any Investor Controlled Entity, any Affiliate of the Investor (other than any officer or director of the Investor) and any 13D Group of which the Investor or any of its Affiliates is a member shall vote all Common Stock of the Company they hold in each vote of the Company's stockholders in the manner recommended by the Board; provided that this Section 4.7 shall not apply to proposals seeking approvals of the Company's stockholders with respect to amendments to the Company's Certificate of Incorporation or by-laws that directly conflict with the rights of the Investor under this Agreement, or that directly affect the Investor by naming the Investor specifically in such amendment, (ii) if the Company has materially breached any of its representations or warranties hereunder, or (iii) if the Company has breached any of its covenants hereunder without curing such breach within ten days after notice thereof. With respect to votes of the Company's stockholders relating to the election of members of the Board, each of the Investor, any Investor Controlled Entity and any 13D Group of which the Investor or any of its Affiliates is a member shall vote all Common Stock of the Company they hold in favor of individuals recommended by the Board for election to the Board, provided that the provisions of this sentence shall not apply in the event of any fraud or malfeasance by, or any material change in, the senior executive management of the Company. During the Voting Period, the Investor agrees to take such actions as may be reasonably necessary to ensure that any Common Stock held by the Investor, any Investor Controlled Entity, any Affiliate of the Investor (other than any officer or director of the Investor) and any 13D Group of which the Investor or any of its Affiliates is a member are present for any vote of the Company's stockholders for purposes of establishing a quorum with respect to such vote.

4.8 Standstill; Required Sales.

- (a) The Investor agrees that during the Voting Period, neither the Investor, nor any Investor Controlled Entity, Affiliate of the Investor (other than any officer or director of the Investor) or any 13D Group of which the Investor or any of its Affiliates is a member shall directly or indirectly:
- (i) otherwise act, alone or in concert with others, to seek to control the management, Board or policies of the Company;

- (ii) enter into any joint venture, securities lending or option agreement, put or call, guarantee of loans, guarantee of profits or division of losses or profits, contract, arrangement or understanding with any Person with respect to any securities of the Company or any Subsidiary of the Company;
- (iii) acquire additional shares of Voting Stock without the consent of the Board, except for the Warrant Shares;
- (iv) solicit or participate in the solicitation of proxies with respect to any Voting Stock, or seek to advise or influence any person with respect to the voting of any Voting Stock (other than as otherwise provided or contemplated by this Agreement);
- (v) deposit any Voting Stock in a voting trust or, except as otherwise provided or contemplated herein, subject any Voting Stock to any arrangement or agreement with any third party with respect to the voting of such Voting Stock;
- (vi) join a 13D Group (other than a group comprising solely of the Investor and its Affiliates) for the purpose of acquiring, holding, voting or disposing of Voting Stock or Non-Voting Convertible Securities;
- (viii) take any action which might require the Company to make a public announcement regarding the possibility of a business combination or merger involving the Company or any of its subsidiaries or divisions;
- (ix) disclose any intention, plan or arrangement inconsistent with the foregoing;
- advise, assist or encourage any other Persons in connection with any of the foregoing; or
- (xi) request that the Company (or its respective directors, officers, affiliates, employees or agents), directly or indirectly, amend or waive any provision of this <u>Section 4.8(a)</u> in a manner that may require public disclosure of such a request.

Notwithstanding anything to the contrary in this Agreement, (i) the prohibitions in this Article IV shall not affect the Investor's ability to hold the Shares, the Warrants and the Warrant Shares and (ii) in the event that it shall be publicly announced or disclosed that the Company has entered into an agreement to effect a Change of Control of the Company, that the Company has received an unsolicited offer (determined to be bona fide by the Board in good faith) for a majority of the outstanding shares of capital stock of the Company or for the sale of the Company or substantially all of its assets at any time, the Investor shall be released from compliance with the terms of this Section 4.8(a) for the pendency of such transaction, offer or process.

(b) Intentionally omitted

4.9 <u>Lock-Up</u>. From and after the Closing, the Investor hereby agrees not to (i) sell, transfer or otherwise dispose of, directly or indirectly, any Shares or Warrant Shares or (ii) enter

into any swap or other arrangement that transfers to another Person any of the economic consequences of ownership of Shares or Warrant Shares, until the six month anniversary of the closing, except to the Company, in response to a Change of Control (or agreement related to a Change of Control), or a tender or exchange offer for the Common Stock (other than a tender or exchange offer by the Investor, any Investor Controlled Entity, any Affiliate of the Investor or any 13D Group of which the Investor or any of its Affiliates is a member) or as part of a transaction in which all outstanding shares of Common Stock of the Company are converted into or exchanged for other consideration and is approved by the stockholders of the Company. This Section 4.9 shall not, with respect to Securities, apply to (a) bona fide gifts, whether to charitable organizations or otherwise, provided the recipient thereof agrees in writing to be bound by the terms of this Section 4.9, (b) dispositions to any individual retirement account, foundation, trust, partnership, or limited liability company, as the case may be, for the direct or indirect benefit of the Investor and/or the immediate family of the Investor or any Investor Related Entity, provided that such transferee agrees in writing to be bound by the terms of this Section 4.9, (c) transfers as required by law, (d) dispositions by a corporation, partnership or limited liability company to a shareholder, partner or member thereof, provided such shareholder, partner or member agrees in writing to be bound by the terms of this Section 4.9, or (e) any obligations regarding the Securities under any existing pledge, margin account or similar agreement, including, but not limited to, sales and transfers of such Undersigned Shares.

- 4.10 <u>Press Releases</u>. No later than the Trading Day immediately following the execution of this Agreement, the Company will issue a press release disclosing the transactions contemplated by the Agreement, and the Company shall file a Form 8-K relating to the Transaction Documents. The Company and the Investor shall consult with each other in issuing any subsequent press releases with respect to the transactions contemplated hereby, and the Company and the Investor shall not issue any such subsequent press release or otherwise make any such public statement without the prior consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed, except if such disclosure is required by Applicable Law, in which case the disclosing party shall if possible promptly provide the other party with prior notice of such public statement or communication.
- 4.11 <u>Antitrust Filings</u>. If the exercise of the Warrants requires any antitrust filings under Applicable Law, then the Investor and the Company agree to make any such required filings and to cooperate with each other in making any such filings.

ARTICLE VI REGISTRATION RIGHTS

Registration Statement.

- (a) Until such time as the date that all Registrable Securities covered by such Registration Statement have been sold or can be sold publicly under Rule 144 without volume limitation, upon written request by the Investor, the Company shall, as soon as reasonably practicable following Investor's request, prepare and file with the SEC a Registration Statement covering the resale of such portion of the Registrable Securities requested by the Investor for an offering to be made on a continuous basis pursuant to Rule 415. Each Registration Statement shall be on Form S-3 or any successor form thereto (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3 or any successor form thereto, in which case such registration shall be on another appropriate form in accordance with the Securities Act and the Exchange Act). The Company shall not be obligated to file and have declared effective more than three (3) Registration Statements per year pursuant to this Article VI and each registration hereunder shall include Registrable Securities consisting of not less than 200,000 shares of Common Stock (as adjusted by any stock split, dividend or other distribution, recapitalization or similar event).
- (b) The Company shall use its best efforts to cause each Registration Statement to be declared effective by the SEC as promptly as practical after the filing thereof (but in no event sooner than six months after the Closing Date of this Agreement), and, subject to Section 6.1(e), shall use its best efforts to keep each Registration Statement continuously effective under the Securities Act for all Registrable Securities for a period up to the earlier of

- seventy five (75) days or until the date that all Registrable Securities covered by such Registration Statement have been sold or can be sold publicly under Rule 144 on a single day (the "Effectiveness Period").
- (c) The Company shall notify the Investor in writing promptly (and in any event within two (2) Trading Days) after receiving notification from the SEC that a Registration Statement has been declared effective.
- (d) The Company may require the Investor to provide such information regarding the Investor as may be required under the Securities Act to effect the registration contemplated hereunder.
- (e) If at any time after a Registration Statement has become effective, the Company is engaged in any plan, proposal or agreement with respect to any financing, acquisition, recapitalization, reorganization or other material transaction or development the public disclosure of which would be detrimental to the Company, then the Company may direct that such request be delayed or that use of the Prospectus contained in such Registration Statement be suspended, as applicable, for a period of up to 45 days. The Company will notify the Investor of the delay or suspension. In the case of notice suspending an effective Registration Statement, the Investor will immediately discontinue any sales of Registrable Securities pursuant to such Registration Statement until the Investor has received copies of a supplemented or amended Prospectus or until the Investor is advised in writing by the Company that the then-current Prospectus may be used and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in such Prospectus. The Company may exercise the rights provided by this Section 6.1(e) for an aggregate of 90 days within any 365-day period.
- (f) The Company will use its best efforts to cooperate with the Investor in the disposition of the Registrable Securities covered by a Registration Statement.
- 6.2 <u>Registration Procedures.</u> In connection with the Company's registration obligations hereunder, the Company shall:
- (a) (i) Prepare and file with the SEC such amendments, including posteffective amendments, to each Registration Statement and the Prospectus used in connection
 therewith as may be necessary to keep each Registration Statement continuously effective, as to
 the applicable Registrable Securities for the Effectiveness Period and prepare and file with the
 SEC such additional Registration Statements in order to register for resale under the Securities
 Act all of the Registrable Securities during the Effectiveness Period; (ii) cause the related
 Prospectus to be amended or supplemented by any required Prospectus supplement, and as so
 supplemented or amended to be filed pursuant to Rule 424; (iii) respond as promptly as
 reasonably practical, to any comments received from the SEC with respect to each Registration
 Statement or any amendment thereto; and (iv) comply in all material respects with the provisions
 of the Securities Act and the Exchange Act applicable to the Company with respect to the
 disposition of all Registrable Securities covered by a Registration Statement during the
 applicable period in accordance with the intended methods of disposition by the Investor thereof
 set forth in a Registration Statement as so amended or in such Prospectus as so supplemented.

- (b) Notify the Investor as promptly as reasonably practical, and confirm such notice in writing no later than two (2) Trading Days thereafter, of any of the following events: (i) any Registration Statement or any post-effective amendment is declared effective; (ii) the Company becomes aware that the SEC has issued any stop order suspending the effectiveness of any Registration Statement or initiates any Proceedings for that purpose; (iii) the Company receives notice of any suspension of the qualification or exemption from qualification of any Registrable Securities for sale in any jurisdiction, or the initiation or threat of any Proceeding for such purpose; or (iv) the financial statements included in any Registration Statement become ineligible for inclusion therein or any Registration Statement or Prospectus or other document contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.
- (c) Use its best efforts to avoid the issuance of or, if issued, obtain the withdrawal of (i) any order suspending the effectiveness of any Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, as soon as possible.
- (d) If requested by the Investor, promptly provide the Investor, without charge, at least one conformed copy of each Registration Statement and each amendment thereto, including financial statements and schedules, and all exhibits to the extent requested by the Investor (including those previously furnished or incorporated by reference) promptly after the filing of such documents with the SEC.
- (e) Promptly deliver to the Investor, without charge, as many copies of the Prospectus or Prospectuses (including each form of prospectus) and each amendment or supplement thereto as the Investor may reasonably request. The Company hereby consents to the use of such Prospectus and each amendment or supplement thereto by the Investor in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any amendment or supplement thereto to the extent permitted by federal and state securities laws and regulations.
- (f) Prior to any public offering of Registrable Securities, use its best efforts to register or qualify or cooperate with the Investor in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as the Investor requests in writing, to keep each such registration or qualification (or exemption therefrom) effective for so long as required, but not to exceed the duration of the Effectiveness Period, and to do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of the Registrable Securities covered by a Registration Statement; provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.
- (g) Upon sale of such Registrable Securities pursuant to an effective Registration Statement, cooperate with the Investor to facilitate the timely preparation and

delivery of certificates representing Registrable Securities to be delivered to a transferee, which certificates shall be free, to the extent permitted by this Agreement and under Applicable Law, of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any the Investor may reasonably request.

- (h) Promptly upon the occurrence of any event described in <u>Section 6.2(b)(iv)</u>, prepare a supplement or amendment, including a post-effective amendment, to a Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, neither such Registration Statement nor such Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.
- (i) Comply with all rules and regulations of the SEC applicable to the Company in connection with the registration of the Securities.
- (j) The Company shall comply with all applicable rules and regulations of the SEC under the Securities Act and the Exchange Act, including, without limitation, Rule 172 under the Securities Act, file any final Prospectus, including any supplement or amendment thereof, with the SEC pursuant to Rule 424 under the Securities Act, promptly inform the holders in writing if, at any time during the Effectiveness Period, the Company does not satisfy the conditions specified in Rule 172 and, as a result thereof, the holders are required to make available a Prospectus in connection with any disposition of Registrable Securities and take such other actions as may be reasonably necessary to facilitate the registration of the Registrable Securities hereunder.
- 6.3 Registration Expenses. The Company shall pay all fees and expenses incident to the performance of or compliance with Article VI of this Agreement, but excluding underwriting discounts and commissions of the Investor, including without limitation (a) all registration and filing fees and expenses, including without limitation those related to filings with the SEC, The Nasdaq Stock Market or comparable securities trading market and in connection with applicable state securities or Blue Sky laws, (b) printing expenses (including without limitation expenses of printing certificates for Registrable Securities), (c) messenger, telephone and delivery expenses incurred by the Company, (d) fees and disbursements of counsel for the Company, (e) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement, (f) reasonable fees and expenses of one special counsel for the Investor (not to exceed \$25,000 per registration or \$100,000 in the aggregate for all registrations pursuant to this Agreement); and (g) all listing fees to be paid by the Company to The Nasdaq Stock Market or comparable securities trading market.

6.4 <u>Indemnification</u>.

(a) <u>Indemnification by the Company</u>. The Company shall, notwithstanding any termination of this Agreement, indemnify and hold harmless the Investor, the officers, directors, partners, members, agents and employees of each of them, each Person who controls the Investor (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, agents and employees of each such controlling Person, to the fullest extent permitted by Applicable Law, from and against all Losses arising out of or relating to any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus or any form of Company prospectus or in any amendment or supplement thereto or in any Company preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading, provided, however, that the Company shall not be liable in any such case to the extent that such Losses arise out of, or are based upon, an untrue statement or omission or alleged untrue statement or omission made in such Registration Statement in reliance upon and in conformity with information that relates solely to the Investor or the Investor's proposed method of distribution of Registrable Securities and was provided by the Investor in writing for use in such Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto.

- Indemnification by the Investor. The Investor shall, notwithstanding any termination of this Agreement, indemnify and hold harmless the Company, its officers, directors, partners, members, agents and employees of each of them, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the officers, directors, partners, members, agents and employees of each such controlling Person, to the fullest extent permitted by Applicable Law, from and against all Losses arising out of any untrue statement of a material fact contained in any Registration Statement, any Prospectus or any form of Company prospectus or in any amendment or supplement thereto or in any Company preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading, in each case, on the effective date thereof, but only to the extent that such untrue statement or omission is based solely upon information regarding the Investor furnished to the Company by the Investor in writing expressly for use therein, or to the extent that such information solely relates to the Investor or the Investor's proposed method of distribution of Registrable Securities and was provided by the Investor for use in such Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto. In no event shall the liability of the Investor under this Article VI be greater in amount than the dollar amount of the net proceeds received by the Investor upon the sale of the Registrable Securities giving rise to such indemnification obligation.
- (c) <u>Conduct of Indemnification Proceedings</u>. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "**Indemnified Party**"), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the "**Indemnifying Party**") in writing, and the Indemnifying Party shall assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all reasonable fees and expenses incurred in connection with defense thereof; <u>provided</u> that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that such failure shall have materially and adversely prejudiced the

Indemnifying Party. An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (i) the Indemnifying Party has agreed in writing to pay such fees and expenses; (ii) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding; or (iii) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Indemnified Party and the Indemnifying Party or that additional or different defenses may be available to the Indemnified Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and the reasonable fees and expenses of separate counsel shall be at the expense of the Indemnifying Party), it being understood, however, that the Indemnifying Party shall not, in connection with any one such Proceeding (including separate Proceedings that have been or will be consolidated before a single judge) be liable for the fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Parties. The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, unless such consent is unreasonably withheld or delayed. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding. All reasonable fees and expenses of the Indemnified Party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section 6.4(c)) shall be paid to the Indemnified Party, as incurred, within twenty (20) Trading Days of written notice thereof to the Indemnifying Party (regardless of whether it is ultimately determined that an Indemnified Party is not entitled to indemnification hereunder; provided that the Indemnifying Party shall reimburse all such fees and expenses to the extent it is finally judicially determined that such Indemnified Party is not entitled to indemnification hereunder).

Contribution. If a claim for indemnification under Section 6.4(a) or (b) is unavailable to an Indemnified Party (by reason of public policy or otherwise), then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in Section 6.4(c), any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for

in this <u>Section 6.4(d)</u> was available to such party in accordance with its terms. The parties hereto agree that it would not be just and equitable if contribution pursuant to this <u>Section 6.4(d)</u> were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this <u>Section 6.4(d)</u>, the Investor shall not be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by the Investor from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that the Investor has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

- 6.5 <u>Dispositions</u>. The Investor agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it in connection with sales of Registrable Securities pursuant to a Registration Statement and shall sell its Registrable Securities in accordance with the Plan of Distribution set forth in the Prospectus. The Investor further agrees that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in <u>Sections 6.2(b)(ii)</u>, (iii) or (iv), the Investor will use best efforts to discontinue disposition of Registrable Securities under a Registration Statement until the Investor is advised in writing by the Company that the use of the Prospectus, or amended Prospectus, as applicable, may be used. The Investor acknowledges and agrees that the provisions of <u>Section 4.9</u> of this Agreement shall apply with respect to any proposed disposition pursuant to a Registration Statement filed pursuant to this <u>Article VI</u>. The Company may provide appropriate stop orders to enforce the provisions of this paragraph.
- "Market Stand-Off" Agreement. For so long as the Investor and/or any Investor Controlled Entity, Affiliate of the Investor or any 13D Group of which the Investor or any of its Affiliates is a member collectively owns at least 5% of the voting power of the Company, the Investor agrees that neither the Investor, nor any Investor Controlled Entity, Affiliate of the Investor or any 13D Group of which the Investor or any of its Affiliates is a member shall, to the extent requested by the Company or an underwriter of securities of the Company, sell, transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale, any Common Stock (or other securities) of the Company held by such Person for a period specified by the representative of the underwriters of Common Stock (or other securities) of the Company not to exceed ninety (90) days following the effective date of any registration statement of the Company filed under the Securities Act other than a Registration Statement filed pursuant to Section 6.1; provided that all officers and The obligations described in directors of the Company enter into similar agreements. this Section 6.6 shall not apply to a registration relating solely to employee benefit plans on Form S-8 or similar forms that may be promulgated in the future, or a registration relating solely to a Commission Rule 145 transaction on Form S-4 or similar forms that may be promulgated in the future. The Investor further agrees to execute (and cause any Investor Controlled Entity, Affiliate of the Investor or any 13D Group of which the Investor or any of its Affiliates is a member to execute) such agreements as may be reasonably requested by the underwriters in connection with such registration that are consistent with this Section 6.6 or that are necessary to

give further effect thereto. The Investor agrees that the Company may instruct its transfer agent to place stop-transfer notations in its records to enforce the provisions of this <u>Section 6.6</u>.

6.7 Assignment of Registration Rights. The registration rights under this Article VI of this Agreement with respect to applicable shares transferred by Investor pursuant to this agreement shall be automatically transferred to any transferred of all or any portion of Investor's Registrable Securities,, to the extent of such shares transferred, if (a) Investor agrees in writing with the transferee or assignee to assign such rights and a copy of such agreement is furnished to the Company within a reasonable time after such assignment; (b) the Company is furnished with written notice of (i) the name and address of such transferee, and (ii) the securities with respect to which such registration rights are being transferred; (c) following such transfer or assignment, the further disposition of such securities by the transferee is restricted under this Agreement, the Securities Act and applicable state securities laws; (d) at or before the time the Company receives the written notice contemplated by clause (b) of this sentence the transferee agrees in writing to be bound by all of the provisions of this Agreement; and (e) such transfer shall have been made in accordance with the applicable requirements of this Agreement.

ARTICLE VII MISCELLANEOUS

- 7.1 <u>Termination</u>. This Agreement may be terminated by the Company or the Investor, by written notice to the other, if the Closing has not been consummated by the third Business Day following the date of this Agreement; <u>provided</u> that no such termination will affect the right of any party to sue for any breach by the other party (or parties).

7.5 Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by the Company and the Investor. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement

hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

- 7.6 <u>Construction</u>. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.
- 7.7 <u>Successors and Assigns</u>. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Investor. Notwithstanding the foregoing, nothing in this <u>Section 7.7</u> shall prevent any assignment of this Agreement by the Company or the Investor that is deemed to occur in connection with a Change of Control of the Company. The Investor may assign some or all of its rights hereunder in connection with transfer of any of its Securities without the consent of the Company, in which event such assignee shall be deemed to be an Investor hereunder with respect to such assigned rights.
- 7.8 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except that each Indemnified Party is an intended third party beneficiary of Section 6.4 and (in each case) may enforce the provisions of such Section 6.4 directly against the parties with obligations thereunder.
- Governing Law; Venue; Service of Process; Waiver of Jury Trial. OUESTIONS CONCERNING THE CONSTRUCTION, VALIDITY, ENFORCEMENT AND INTERPRETATION OF THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THAT BODY OF LAWS PERTAINING TO CONFLICT OF LAWS. EACH PARTY HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS SITTING IN THE CITY OF NEW YORK, BOROUGH OF MANHATTAN, FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HEREWITH OR WITH ANY TRANSACTION CONTEMPLATED HEREBY OR DISCUSSED HEREIN (INCLUDING WITH RESPECT TO THE ENFORCEMENT OF ANY OF THE TRANSACTION DOCUMENTS), AND HEREBY IRREVOCABLY WAIVES, AND AGREES NOT TO ASSERT IN ANY SUIT, ACTION OR PROCEEDING, ANY CLAIM THAT IT IS NOT PERSONALLY SUBJECT TO THE JURISDICTION OF ANY SUCH COURT AND THAT SUCH SUIT, ACTION OR PROCEEDING IS IMPROPER. EACH PARTY HEREBY IRREVOCABLY WAIVES PERSONAL SERVICE OF PROCESS AND CONSENTS TO PROCESS BEING SERVED IN ANY SUCH SUIT, ACTION OR PROCEEDING BY MAILING A COPY THEREOF VIA REGISTERED OR CERTIFIED MAIL OR OVERNIGHT DELIVERY (WITH EVIDENCE OF DELIVERY) TO SUCH PARTY AT THE ADDRESS IN EFFECT FOR NOTICES TO IT UNDER THIS AGREEMENT AND AGREES THAT SUCH SERVICE SHALL CONSTITUTE GOOD AND SUFFICIENT SERVICE OF PROCESS AND NOTICE THEREOF. NOTHING CONTAINED HEREIN SHALL BE DEEMED TO LIMIT IN ANY WAY ANY RIGHT TO SERVE PROCESS IN ANY MANNER PERMITTED BY

LAW. THE COMPANY AND INVESTOR HEREBY WAIVE ALL RIGHTS TO A TRIAL BY JURY.

- 7.10 <u>Survival</u>. The representations and warranties contained herein shall survive the Closing. The agreements and covenants contained herein shall survive the Closing in accordance with their respective terms.
- 7.11 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or email attachment, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or email-attached signature page were an original thereof.
- 7.12 Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.
- 7.13 Replacement of Securities. If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, the Company shall promptly issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, and the Investor will pay only those costs and expenses that are customarily charged by or on behalf the Company or the Transfer Agent to any stockholder of the Company in connection therewith. The Company may require the execution by the holder thereof of a customary lost certificate affidavit of that fact and a customary agreement to indemnify and hold harmless the Company (and Transfer Agent, if applicable) for any losses in connection therewith.
- 7.14 <u>Remedies</u>. In addition to being entitled to exercise all rights provided herein or granted by Applicable Law, including recovery of damages, the Investor and the Company will be entitled to seek specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agrees to waive in any action for specific performance of any such obligation (other than in connection with any action for temporary restraining order) the defense that a remedy at law would be adequate.
- 7.15 <u>Indemnification</u>. In consideration of the Investor's execution and delivery of the Transaction Documents and acquiring the Securities thereunder and in addition to all of the Company's other obligations under the Transaction Documents, the Company shall defend, protect, indemnify and hold harmless the Investor and each other holder of the Securities (other than holders of Securities purchased on any securities trading market), and all of the Investor's stockholders, partners, members, officers, directors, employees and direct or indirect investors and any of the foregoing Persons' agents or other representatives (including, without limitation,

those retained in connection with the transactions contemplated by this Agreement) (collectively, the "Indemnitees"), as incurred, from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and expenses in connection therewith (irrespective of whether any such Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements, but excluding any consequential, indirect or incidental damages (the "Indemnified Liabilities"), incurred by any Indemnitee as a result of, or arising out of, or relating to (a) any material misrepresentation or material breach of any representation or warranty made by the Company in the Transaction Documents, (b) any material breach of any covenant, agreement or obligation of the Company contained in the Transaction Documents that remains uncured ten (10) days after the Company receives notice thereof, or (c) any cause of action, suit or claim brought or made against such Indemnitee by a third party (including for these purposes a derivative action brought on behalf of the Company) and arising out of or resulting from (i) the execution, delivery, performance or enforcement of the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, or (ii) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of the issuance of the Securities. To the extent that the foregoing undertaking by the Company may be unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. In no event shall aggregate payments under this Section 7.15 exceed the Purchase Price. Except as otherwise set forth herein, the mechanics and procedures with respect to the rights and obligations under this Section 7.15 shall be the same as those set forth in Section 6.4(c).

7.16 Adjustments in Share Numbers and Prices. In the event of any stock split, subdivision, dividend or distribution payable in shares of Common Stock (or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly shares of Common Stock), combination or other similar recapitalization or event occurring after the date hereof and prior to the Closing, each reference in any Transaction Document to a number of shares or a price per share shall be amended to appropriately account for such event.

initially equal to \$23.00 per share (as adjusted fron	time to time as provided in Section 8, the
"Exercise Price"), at any time on or after date whi	ch is six months and one day after the date
hereof (the "Initial Exercise Date") and through a	and including the date that is five (5) years
after the date hereof (the "Expiration Date"), and su	abject to the following terms and conditions.
This Warrant (this "Warrant") is issued pursuant to	that certain Securities Purchase Agreement,
dated as of the date hereof, by and among the Co	mpany and the Investor named therein (as
amended from time to time, the "Purchase Agreeme	ent").

- <u>Definitions</u>. In addition to the terms defined elsewhere in this Warrant, capitalized terms that are not otherwise defined herein have the meanings given to such terms in the Purchase Agreement.
- 2. <u>Registration of Warrant</u>. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the Holder of record hereof. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary. The Warrant Shares shall be afforded the registration rights set forth in Article VI of the Purchase Agreement.

Exercise and Duration of Warrant.

- (a) This Warrant shall be exercisable by the Holder at any time and from time to time on or after the Initial Exercise Date to and including the Expiration Date. At 6:30 P.M., New York City time on the Expiration Date, the portion of this Warrant not exercised prior thereto shall be and become void and of no value.
- (b) The Holder may exercise this Warrant by delivering to the Company (i) an exercise notice, in the form attached hereto (the "Exercise Notice"), appropriately completed and duly signed, and (ii) payment of the Exercise Price in a form specified in Section 3(c) hereof for the number of Warrant Shares as to which this Warrant is being exercised, or, if applicable, an election to net exercise this Warrant as provided in Section 3(d) hereof for the number Warrant Shares to be acquired in connection with such exercise, and the date such items are delivered to the Company (as determined in accordance with the notice provisions hereof) is an "Exercise Date." The Holder shall be required to deliver the original Warrant in order to effect an exercise hereunder unless the Holder shall deliver an affidavit of loss or such other documentation reasonably requested by the Company in lieu of such original Warrant in connection with any such exercise. Execution and delivery of the Exercise Notice in respect of less than all the Warrant Shares issuable upon exercise of this Warrant shall have the same effect as cancellation of the original Warrant and issuance of a new warrant to purchase Common Stock, in substantially the form of this Warrant (any such new warrant, a "New Warrant"), evidencing the right to purchase the remaining number of Warrant Shares.
- (c) Payment for the Warrant Shares upon exercise may be made by (i) a check payable to the Company's order, (ii) wire transfer of funds to the Company, (iii) by net exercise as provided in <u>Section 3(d)</u> hereof, or (iv) any combination of the foregoing.
- (d) Net Exercise Election. Holder may elect to convert all or any portion of this Warrant, without the payment by Holder of any additional consideration, by the surrender of this Warrant to the Company, with the Exercise Notice, duly executed by Holder, into up to the number of shares of Warrant Shares that is obtained under the following formula:

$$X = \frac{Y (A-B)}{A}$$

where X = the number of shares of Warrant Shares to be issued to Holder pursuant to a net exercise of this Warrant effected pursuant to this <u>Section 3(d)</u>.

Y = the number of Warrant Shares as to which this Warrant is then being net exercised.

A = the fair market value of one share of Warrant Shares, determined at the time of such net exercise as set forth in the last paragraph of this <u>Section 3(d)</u>.

B = the Exercise Price.

The Company will promptly respond in writing to an inquiry by Holder as to the then current fair market value of one share of Warrant Stock.

For purposes of the above calculation, fair market value of one share of Warrant Shares shall be determined by the Company's Board of Directors in good faith; <u>provided, however</u>, that if on the relevant exercise date for which such value must be determined, a public market for the Company's Common Stock exists, then the fair market value per share of the Warrant Shares shall be (A) the average of the closing bid and asked prices of the Common Stock quoted in the Over-The-Counter Market Summary or (B) the last reported sale price of the Common Stock or the closing price quoted on the exchange on which the Common Stock is listed, whichever is applicable, as published in the Western Edition of *The Wall Street Journal* for the five (5) trading days prior to the date as of which the value of the fair market value is to be determined.

Delivery of Warrant Shares.

- (a) Upon exercise of this Warrant, the Company shall promptly issue or cause to be issued and cause to be delivered to or upon the written order of the Holder and in such name or names as the Holder may designate, a certificate for the Warrant Shares issuable upon such exercise (i) free of restrictive legends if sold under a registration statement covering the resale of the Warrant Shares and naming the Holder as a selling stockholder, or (ii) if such shares are not freely transferable without volume restrictions pursuant to Rule 144 under the Securities Act, such certificate will bear the legends set forth in Section 4.1(b) of the Purchase Agreement. The Holder, or any Person so designated by the Holder to receive Warrant Shares, shall be deemed to have become the holder of record of such Warrant Shares as of the Exercise Date. The Company shall, upon request of the Holder, use best efforts to deliver, or to cause its transfer agent to deliver, Warrant Shares hereunder electronically through The Depository Trust Company or another established clearing corporation performing similar functions.
- (b) This Warrant is exercisable, either in its entirety or, from time to time, for a portion of the number of Warrant Shares. Upon surrender of this Warrant following one or more partial exercises, the Company shall issue or cause to be issued, at its expense, a New Warrant evidencing the right to purchase the remaining number of Warrant Shares.
- (c) The Company's obligations to issue and deliver Warrant Shares in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by the Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to the Holder in connection with the issuance of Warrant Shares. Nothing herein shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of this Warrant as required pursuant to the terms hereof.
- Charges, Taxes and Expenses. Issuance and delivery of certificates for shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, withholding tax, transfer agent fee or other incidental tax or expense in

respect of the issuance of such certificates, all of which taxes and expenses shall be paid by the Company; provided, however, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance, delivery or registration of any certificates for Warrant Shares or Warrant in a name other than that of the Holder. The Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.

- 6. Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company, at no cost to Holder, shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a New Warrant, but only upon receipt of an affidavit of such loss, theft or destruction and customary indemnity, if requested.
- 7. Reservation of Warrant Shares. The Company covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are then issuable and deliverable upon the exercise of this entire Warrant, free from preemptive rights or any other contingent purchase rights of persons other than the Holder (after giving effect to the adjustments and restrictions of Section 8, if any). The Company covenants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued and fully paid and nonassessable. The Company will use reasonable commercial efforts to take all such action to assure that such shares of Common Stock may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of any securities exchange or automated quotation system upon which the Common Stock may be listed, in each case, applicable to the Company.
- Certain Adjustments. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 8.
- (a) Stock Dividends, Splits and Combinations. If the Company, at any time while this Warrant is outstanding, (i) pays a stock dividend on its Common Stock or otherwise makes a distribution on its Common Stock that is payable in shares of Common Stock, (ii) subdivides outstanding shares of Common Stock into a larger number of shares, or (iii) combines outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such dividend, distribution, subdivision or combination.

- Fundamental Transactions. If any capital reorganization, reclassification of the capital stock of the Company, consolidation or merger of the Company with another corporation, or sale, transfer or other disposition of all or substantially all of the Company's assets to another corporation shall be effected (all such transactions being hereinafter referred to as a "Fundamental Transaction"), then the Company shall ensure that lawful and adequate provision shall be made whereby the Holder shall thereafter have the right to purchase and receive upon the basis and upon the terms and conditions herein specified and in lieu of the Warrant Shares immediately theretofore issuable upon exercise of this Warrant, such shares of stock, securities or assets as would have been issuable or payable with respect to or in exchange for a number of Warrant Shares equal to the number of Warrant Shares immediately theretofore issuable upon exercise of this Warrant, had such reorganization, reclassification, consolidation, merger, sale, transfer or other disposition not taken place, and in any such case appropriate provision shall be made with respect to the rights and interests of the Holder to the end that the provisions hereof (including, without limitation, provision for adjustment of the Exercise Price) shall thereafter be applicable, as nearly equivalent as may be practicable in relation to any share of stock, securities or assets thereafter deliverable upon the exercise thereof. The Company shall not effect any such consolidation, merger, sale, transfer or other disposition unless prior to or simultaneously with the consummation thereof the successor corporation (if other than the Company) resulting from such consolidation or merger, or the corporation purchasing or otherwise acquiring such assets or other appropriate corporation or entity shall assume the obligation to deliver to the Holder, at the last address of the Holder appearing on the books of the Company, such shares of stock, securities or assets as, in accordance with the foregoing provisions, the Holder may be entitled to purchase, and the other obligations under this Warrant. The provisions of this Section 8(b) shall similarly apply to successive reorganizations, reclassifications, consolidations, mergers, sales, transfers or other dispositions, each of which transactions shall also constitute a Fundamental Transaction.
- (c) <u>Number of Warrant Shares</u>. Simultaneously with any adjustment to the Exercise Price pursuant to this <u>Section 8</u>, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased (as the case may be), proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the decreased or increased (as the case may be) number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment.
- (d) <u>Calculations</u>. All calculations under this <u>Section 8</u> shall be made to the nearest cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the disposition of any such shares shall be considered an issue or sale of Common Stock.
- (e) Notice of Adjustments. Upon the occurrence of each adjustment pursuant to this Section 8, the Company at its expense will promptly compute such adjustment in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price and adjusted number or type of Warrant Shares or other securities issuable upon exercise of this Warrant (as applicable), describing the transactions giving rise to such adjustments and showing in detail the facts upon which such adjustment is based. Upon any such occurrence and/or otherwise upon written request by or on

behalf of the Holder, the Company will promptly deliver a copy of each such certificate to the Holder and to the Transfer Agent.

- (f) Notice of Corporate Events. If the Company (i) declares a dividend or any other distribution of cash, securities or other property in respect of its Common Stock, including without limitation any granting of rights or warrants to subscribe for or purchase any capital stock of the Company, (ii) enters into any agreement contemplating, or solicits stockholder approval for, any Fundamental Transaction or Change of Control or (iii) authorizes the voluntary dissolution, liquidation or winding up of the affairs of the Company, then the Company shall deliver to the Holder a notice describing the material terms and conditions of such transaction, at least fifteen calendar days prior to the applicable record or effective date on which a Person would need to hold Common Stock in order to participate in or vote with respect to such transaction, and the Company will take all steps reasonably necessary to facilitate the exercise of the Warrant pursuant to Section 3(b) (which exercise may be conditioned upon the occurrence of such event); provided, however, that the failure to deliver such notice or any defect therein shall not affect the validity of the corporate action required to be described in such notice.
- 9. <u>Fractional Shares</u>. The Company shall not be required to issue or cause to be issued fractional Warrant Shares on the exercise of this Warrant. If any fraction of a Warrant Share would, except for the provisions of this <u>Section 9</u>, be issuable upon exercise of this Warrant, then the number of Warrant Shares to be issued will be rounded down to the nearest whole share.
- 10. Notices. Any and all notices or other communications or deliveries hereunder (including without limitation any Exercise Notice) shall be in writing and shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in the Purchase Agreement prior to 6:30 p.m. (New York City time) on a Trading Day, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in the Purchase Agreement on a day that is not a Trading Day or later than 6:30 p.m. (New York City time) on any Trading Day, (iii) the Trading Day following the date of delivery to the courier service, if sent by nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given. The address for such notices or communications shall be as set forth in the Purchase Agreement.
- 11. Warrant Agent. The Company shall serve as warrant agent under this Warrant. Upon thirty (30) days' notice to the Holder, the Company may appoint a new warrant agent. Any corporation into which the Company or any new warrant agent may be merged or any corporation resulting from any consolidation to which the Company or any new warrant agent shall be a party or any corporation to which the Company or any new warrant agent transfers substantially all of its corporate trust or stockholder services business shall be a successor warrant agent under this Warrant without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed (by first class mail, postage prepaid) to the Holder at the Holder's last address as shown on the Warrant Register.

Miscellaneous.

- (a) The Company shall not, by amendment of its Certificate of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all the provisions of this Warrant. Without limiting the generality of the foregoing, the Company (i) will not increase the par value of any Warrant Shares above the amount payable therefor on such exercise and (ii) will not, and will not permit its transfer agent to, close its stockholder books or records in any manner which interferes with the timely exercise of this Warrant.
- GOVERNING LAW; VENUE; SERVICE OF PROCESS; WAIVER OF JURY TRIAL. ALL QUESTIONS CONCERNING THE CONSTRUCTION, VALIDITY, ENFORCEMENT AND INTERPRETATION OF THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THAT BODY OF LAWS PERTAINING TO CONFLICT OF LAWS. EACH PARTY HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS SITTING IN THE CITY OF NEW YORK, BOROUGH OF MANHATTAN, FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HEREWITH OR WITH ANY TRANSACTION CONTEMPLATED HEREBY OR DISCUSSED HEREIN (INCLUDING WITH RESPECT TO THE ENFORCEMENT OF ANY OF THE TRANSACTION DOCUMENTS), AND HEREBY IRREVOCABLY WAIVES, AND AGREES NOT TO ASSERT IN ANY SUIT, ACTION OR PROCEEDING, ANY CLAIM THAT IT IS NOT PERSONALLY SUBJECT TO THE JURISDICTION OF ANY SUCH COURT AND THAT SUCH SUIT, ACTION OR PROCEEDING IS IMPROPER. EACH PARTY HEREBY IRREVOCABLY WAIVES PERSONAL SERVICE OF PROCESS AND CONSENTS TO PROCESS BEING SERVED IN ANY SUCH SUIT, ACTION OR PROCEEDING BY MAILING A COPY THEREOF VIA REGISTERED OR CERTIFIED MAIL OR OVERNIGHT DELIVERY (WITH EVIDENCE OF DELIVERY) TO SUCH PARTY AT THE ADDRESS IN EFFECT FOR NOTICES TO IT UNDER THIS AGREEMENT AND AGREES THAT SUCH SERVICE SHALL CONSTITUTE GOOD AND SUFFICIENT SERVICE OF PROCESS AND NOTICE THEREOF. NOTHING CONTAINED HEREIN SHALL BE DEEMED TO LIMIT IN ANY WAY ANY RIGHT TO SERVE PROCESS IN ANY MANNER PERMITTED BY LAW. EACH OF THE COMPANY AND THE HOLDER HEREBY WAIVES ALL RIGHTS TO A TRIAL BY JURY.
- (c) The headings herein are for convenience only, do not constitute a part of this Warrant and shall not be deemed to limit or affect any of the provisions hereof.
- (d) In case any one or more of the provisions of this Warrant shall be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Warrant shall not in any way be affected or impaired thereby and the parties will attempt in good faith to agree upon a valid and enforceable provision which shall be a commercially reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Warrant.

- (e) No course of dealing or any delay or failure to exercise any right hereunder on the part of the Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies, notwithstanding all rights hereunder terminate on the Expiration Date.
- (f) No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant or purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.
- (g) The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.
- (h) Any term of this Warrant may be amended and the observance of any term of this Warrant may be waived with the written consent of the Company and the holders of a majority of the outstanding unexercised warrants issued pursuant to the Purchase Agreement.
