Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

2. Please supplementally provide us with copies of all written communications, as defined in Rule 405 under the Securities Act, that you, or anyone authorized to do so on your behalf, present to potential investors in reliance on Section 5(d) of the Securities Act, whether they retain copies of the communications. 5. We note your disclosure that you will apply for listing of your common stock on the Nasdaq Capital Market and that you expect listing to be approved upon consummation of this offering. However, you also indicate that if your application to the Nasdaq Capital Market is not approved, you will not complete the offering. With a view towards revised disclosure, please clarify the chronology for your application for listing, approval of listing, effectiveness of the registration statement and closing of the offering.
